PROGRAM DESCRIPTION

Since its inception in 2009, the Burgos International Music Festival brings together prominent musicians, faculty and students from around the world. The 10-day festival provides intermediate and advanced students in piano, strings and vocals the highest level of professional training in individual and ensemble performance. Students have ample opportunity to perform solo work as well as chamber music in a variety of venues, including the Burgos Cathedral.

Students earn 3 credits. Credit is awarded by Lincoln University (accredited in the U.S.).

Students interested in spending more time in Burgos may participate in the Summer Session or the Summer Term programs offered by KEI prior to the Music Festival. These programs are offered during the month of June. The Summer Session consists of two courses - Spanish Culture & Society (3 credits) and Spanish Language (3 credits). The Summer Term combines the two courses with an Internship (3-6 credits). A \$500 Consecutive Term Grant will be applied toward the program fee.

For more information, visit: www.KEIabroad.org.

LOCATION

Burgos is a historic and vibrant city in northern Spain on El Camino de Santiago. Founded in the 9th century, Burgos was the capital of the Kingdom of Castile and considered to be the origin of modern Spanish. Among its landmarks are the Burgos Castle and Cathedral, and Casa del Cordón, where Ferdinand and Isabella met with Christopher Columbus after his journey to the New World. Modern day Burgos is a cosmopolitan city with a remarkable cultural life. The medieval city center preserves its heritage while offering modern conveniences, entertainment and culinary options.

ONSITE DIRECTOR

MR. RICARDO PORRES ORTEGO

Ricardo is a native of Burgos and has extensive knowledge of the city. In addition to serving as the KEI Onsite Director, Ricardo is the Director of Escuela de Espanol. Prior to opening EDE, he was a lecturer at the University of Burgos for many years. His experience working with international students and his warm personality are an asset to the program.

Antonina Vakula, the KEI Onsite Coordinator, works closely with Ricardo to organize the orientation, field trips, cultural activities and support students during the program. Antonina was born in Ukraine, studied at Troy University in the U.S. and moved to Spain after graduation to pursue a career in international education.

FIELD Trips

Below are the most commonly organized field trips. KEI reserves the right to change excursions for destinations of equal value.

- ✓ Burgos city tour (orientation)
- ✓ Royal Monastery of Las Huelgas (day trip)
- ✓ Bilbao or San Sebastian (day trip)

HOUSING & MEALS

Students live in Residencia Universitaria San Agustin or Residencia Santiago, depending on availability. Both residence halls are centrally located in Burgos and consist of a study area, lounges, recreational areas, student cafeteria and bedrooms. Most rooms are double-occupancy and shared with Spanish and international students.

A meal plan at the cafeteria is included with the program fee. Cafes, restaurants and grocery stores can be found throughout Burgos.
