

UNIVERSIDAD DE BURGOS

Independent Study in Spanish (Art, History and/or Literature)

3 US Credits

Description

Professor supervised self-guided study of Spanish language, society and culture through examination of Spanish art, literature and/or history. Research topics and projects are decided by the student in consultation with the supervising professor. Students meet with their professor weekly to discuss their research and project development. The language of instruction is Spanish (with some assistance in English). Prerequisites: Intermediate or higher Spanish language proficiency
